Work Year: **10-MONTH SCHOOL YEAR WITH 1-MONTH ESY (Extended School Year)**

Effective: **IMMEDIATELY**

Salary: **Commensurate with Experience and Certification. We offer Medical, Dental, Vision and Sick Days to Full-Time Employees.**

Program Description: **An auditory-oral day school for infants and hearing impaired children ages 0-12 years in San Diego County. Emphasis is placed on the maximum development and use of listening and spoken language utilizing conventional amplification such as hearing aids and cochlear implants. Oralingua offers a learning environment rich in language and hands-on experiences. Our curriculum focuses on the development of listening, spoken language, speech, cognitive thinking, academics and social interaction. We offer individualized programming, small classes, related services and after-school therapy. Programming includes parent-infant therapy, toddler and preschool classes, classroom instruction from kindergarten through primary grades, speech, aural habilitation, parent education and audiological services.**

Application Deadline: **ACCEPTING APPLICATIONS UNTIL FILLED**
