

Position: **TEACHER OF THE DEAF (Auditory-Oral) NORTH CAMPUS-WHITTIER, CA**

Number of Positions available: **1**

Location: **Whittier Campus**

Credential Needed: **Education Specialist Instruction Credential in D/HH or enrollment in a regionally-accredited college or university program culminating in an Education Specialist Credential: Deaf & Hard of Hearing.**

Responsibilities: **Provide instruction and related services based on an auditory-oral method of teaching students to listen and develop spoken language. Students, whose primary disability is hearing loss, range in age from infancy to 12 years old and use hearing aids and cochlear implants to access sound.**

Date of Posting: **June 1, 2011**

Work Year: **10-MONTH SCHOOL YEAR WITH 1-MONTH ESY (Extended School Year)**

Effective: **IMMEDIATELY**

Salary: **Commensurate with Experience and Certification. We offer Medical, Dental, Vision and Sick Days to Full-Time Employees.**

Program Description: **An auditory-oral day school for infants and hearing impaired children ages 0-12 years old. Emphasis is placed on the maximum development and use of listening and spoken language utilizing conventional amplification such as hearing aids and cochlear implants. Oralingua offers a learning environment rich in language and hands-on experiences. Our curriculum focuses on the development of listening, spoken language, speech, cognitive thinking, academics and social interaction. We offer individualized programming, small classes, related services and after-school therapy. Programming includes parent-infant therapy, toddler and preschool classes, classroom instruction from kindergarten through primary grades, speech, aural habilitation, parent education and audiological services.**

Oralingua serves families on 2 campuses; its main campus/executive offices located in Whittier, CA and a satellite campus in San Marcos near San Diego.

Application Deadline: **ACCEPTING APPLICATIONS UNTIL FILLED**
